Proposed Use of This Insurance: Personal Disability  
 Occupation: Masters, Mates & Pilots  
 Actual Age: 55  
 Term of Insurance: 5 years

**Total Disability** means that due to sickness or injury you cannot engage in your occupation.

Coverage	Benefit	Annual Premium
Monthly Benefit Amount	\$5,000	\$3,722
Elimination Period	90 days	
Benefit Period	60 months	
<b>Optional Riders:</b>		
Residual Disability Rider		\$293

Total Annual Premium (Including Taxes and Fees):		<b>\$4,308</b>

## **Optional Riders**

**Residual Disability:** Benefits will be paid when you are engaged in your occupation and your income is reduced due to a disability by 15% or more. The benefit will be calculated by multiplying the monthly benefit by the percentage of reduced income compared to the average income for the preceding twelve months at the time of disability. If your loss is greater than 80% this will be considered a 100% loss.

**Cost of Living Adjustment (COLA):** Benefits will annually automatically increase based upon the Consumer Price Index (CPI), but not to exceed 10% per year.

## **Included Features**

**Presumptive Disability:** Benefits will be paid for the maximum Benefit Period even if you are able to return to work should you lose the use of both hands, both feet, one hand and one foot, the sight in both eyes, hearing in both ears, or the ability to speak. The medical care requirements and the elimination period will be automatically waived.

**Recurrent Disabilities:** resulting from the same cause or causes are considered a new claim with a new benefit period if you have returned to your regular occupation, full-time, for six months or longer.

**Transplant Benefit:** Total Disability benefits will be paid to you while disabled following surgery in which you donate an organ from your body to another person. This benefit is applicable after the policy has been in force for six months or longer.

**Survivorship Benefit:** If the insured is receiving benefits for Total Disability at the time of their death, we will pay a survivorship benefit equal to three times the monthly benefit amount.

**Rehabilitation Benefit:** We may help for a rehabilitation program if we are paying benefits under the certificate and if we approve the program in advance.
