

## Mariner's Weather Hazards Workshop March 14-16

The National Hurricane Center has scheduled the 2023 Mariner's Weather Hazards Workshop for March 14-16.

Here is a link to a [google form](#) to register.

This is a hybrid workshop, so please note on the google form whether you'd like to attend in person, or virtually.

Feel free to share the registration form, flyer and prelim agenda with others who you feel could benefit from this workshop.
