Important Questions	Answers	Why This Matters
What is the overall deductible?	\$250 Individual/\$500 Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> and <u>prescription drugs</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other deductibles for specific services?	Yes. \$150 for a non- <u>network primary care provider</u> visit and \$150 for an inpatient admission. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the out-of-pocket limit for this plan?	\$3,000 Individual/\$10,000 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , charges in excess of the allowable amount (<u>balance billing</u> charges), non-covered services/health care this <u>plan</u> does not cover, <u>deductibles</u> , and penalties for failure to obtain precertification for services	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. For a list of <u>network providers</u> , see www.bridgedeck.org/forms/hbproviders-print.pdf or call Cigna at 1-800-768-4695 or MultiPlan at 1-800-464-0292	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the full cost if you use an <u>out-of-network provider</u> . Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
